Mary – I’m out next week, but feel free to have a call in my absence. (It could also wait until I get back.) I highlighted four guidances in your table (RED background) that OMB might want to look at. The others are either pretty nerdy or final versions (for which we’ve already issued a draft and received public input). Let me know if you have questions.

Oh yes, that’s a great idea, but Nicole is out the rest of this week (however, I can find someone else maybe) and you next week.

Thanks, Mary. I'm wondering if it would be helpful to OP to explain the nature of these guidances.
